Investment objective

The Vanguard High Growth Index Fund seeks to track the weighted average return of the various indices of the underlying funds in which it invests, in proportion to the Strategic Asset Allocation, before taking into account fees, expenses and tax.

Fund overview

The Fund provides low-cost access to a range of sector funds, offering broad diversification across multiple asset classes. The High Growth Fund invests mainly in growth assets, and is designed for investors with a high tolerance for risk who are seeking long-term capital growth. The Fund targets a 10% allocation to income asset classes and a 90% allocation to growth asset classes.
