# Addendum to Vanguard's Proxy Voting Policy

## Vanguard Manager Select Series

In Australia, we have delegated the authority to vote proxies related to the assets held by the following funds to the respective investment manager of each fund.

- Vanguard Active Global Growth Fund, managed by Baillie Gifford Overseas Limited, and
- Vanguard Active Emerging Market Equity Fund, managed by Wellington Management Australia Pty Ltd

The investment managers will vote such proxies in accordance with their proxy voting policies and procedures, which can be accessed at the applicable product pages, along with a report [here](#) that details how the investment manager voted the proxies relating to the assets held by the relevant Fund for the previous 12-month period ending 30 June, when available.
